

Good Friday 2020

On Friday the Draw was made for The Minehead Lions Easter Egg Competition to raise money for local children's and youth clubs. Thank you to everyone who brought a square.

Our egg was won by Kevin Earl whose wife Penny normally wins lots at our village Easter Bingo which was cancelled obviously.

Kindly both asked if we knew of anyone younger who may like the egg?

The shop nominated Toby Dutton who lives in the village and has been working with his Mum to place rainbows with messages of support on stones or crocheted hangings up and down the village. We love them and they've brought cheer to us all.
