

July 2021 – Visit to Roadwater Community Shop and Coffee Shop

On Thursday (1st July) Thomas Sheppard, High Sheriff of Somerset, and Justin Sargent from Somerset Community Foundation visited the shop. They were interested to see how we had used the grant and loan funding from SCF, and particularly in how it works to serve the community in different ways.

The visit went very well, Cherry, Debbie and Mary welcomed them and Julia gave a guided tour of the premises. Ann and Di were working in the shop, Lynne, Sheila and Tony in the café. The shop group then joined them for coffee and a snack on the patio in the sunshine. Both were very impressed with shop, café and garden. Our new sign was also appreciated as something unusual. As they left the High Sheriff said, "This is not just a shop, it's a community centre that sells food".
